Where would a new runway land 46,000 new jobs in the South East?

LONDON *Gatwick*
OBVIOUSLY.

Expansion at Gatwick would mean huge benefits for the wider community. Not only would the development create 46,000 new jobs in the South East, it would also deliver a £50 million investment scheme for local communities. What's more, we plan to establish an apprenticeship fund to ensure that it is the local young people who directly benefit from the opportunities created.

Business rescue and insolvency

The highest level of professional advice, skills and experience in insolvency and corporate recovery.

Need advice on insolvency and bankruptcy?

We offer discreet help and advice for businesses and individuals facing financial difficulties.

01293 447799

Crawley@benemack.com

What can you expect from Benedict Mackenzie?

Many businesses and individuals face financial challenges. If debts are building up and no matter what you do the situation seems to get worse, it can be difficult to know how to cope or where to turn for help.

This is when the help of an independent professional, somebody experienced and understanding who sees situations like yours every day, can be invaluable.

Whether you are a debtor, creditor or a professional adviser with a client facing severe financial difficulties, you need a specialist that you can trust, someone who is not only an expert in their area but who will recognise and respect your position and relationships.

All Benedict Mackenzie directors give free initial consultations, so that you or your client are aware of all the options and can make informed decisions based on reliable and expert advice. We will be happy to provide more detail.

• If you are an adviser, Benedict Mackenzie will treat you and your client with the highest level of confidentiality, competency and professionalism to ensure a satisfactory outcome.

• If you own or are a director of a company, Benedict Mackenzie will help you to identify ways that it may be possible to turn around the business.

• If you are an individual, Benedict Mackenzie can help you to manage your debts and the stressful issues surrounding them.

We will help you to recover from financial difficulties. This may range from a business recovery strategy, an informal payment plan, or a formal insolvency process with creditors. In all circumstances, we will bring our expertise to bear, to address the situation for you and the stakeholders in your business.

To find out more contact Graham Petersen or Julie Vahey on 01293 447799.

Introduction

Welcome to the latest edition of the Crawley Business Guide and Directory.

Crawley is independently recognised as a fantastic location for business and with a thriving economy, a strong business community and continued investment into the area, there is commercial confidence in Crawley.

Crawley is right at the heart of the Gatwick Diamond, an exciting and important economic area within the South East region, and Coast to Capital area. With Crawley's strategic location mid-way between London and Brighton, it benefits from excellent rail and road connections, access to a diverse and talented workforce, has a vibrant town centre, and London Gatwick Airport is located just two miles away from the Manor Royal Business District.

Crawley Borough Council is committed to support and work with businesses and our partners to bring forward investment. We want to make sure that Crawley is a place in which people and business can succeed and we shape our services so that our businesses and the local economy are right at the heart of what we do.

We publish this guide to give you useful information about Crawley as a business location and to promote business to business activity and encourage you to buy local in Crawley. The guide contains comprehensive information about a diverse range of companies, products and services within the Crawley and Gatwick area.

It is easy to use and available online on www.crawley.gov.uk/businessdirectory

Cllr Peter Smith
Cabinet member for Planning and Economic Development,
Crawley Borough Council

Ideally located just next to Gatwick Airport, the hotel is just a 10-minute drive from the North and South terminals. This large hotel offers 216 bedrooms over five floors and is an excellent choice for meetings and events.

LONDON GATWICK AIRPORT

- The Academy offers 12 meeting and event rooms for up to 150 delegates with flexible options for layout, equipment and presentation.
- Dedicated meetings team to offer you all the support you need and ensure your event runs perfectly from booking process through to the event itself.
- Great choice of snack and lunch options for delegates.
- Full range of presentation equipment available on request.
- Complimentary delegate parking for up to 300.
- We offer a shuttle bus service to and from Gatwick Airport and train station every 15 minutes.

Hotel services and facilities

- Our 'Simply Uplifting' menus use delicious, fresh ingredients and are specially designed and tailor-made to keep delegates energised and focused.
- Take advantage of our relaxing bar and enjoy a hearty, freshly cooked meal at Traders Restaurant and perhaps a lighter bite and a quiet drink at the Hub bar.
- The hotel is just 10 minutes' drive from the airport's North and South terminals – perfect for international guests.

To book your meeting or event now, call 0871 942 9030.

Meeting Facilities

- 12 meeting rooms in total
- 150 maximum capacity
- 8 rooms with natural daylight
- All with air conditioning
- Wireless internet connectivity throughout the hotel

Plus
• 216 bedrooms

Crawley town information

Historical significance

Crawley was an important centre for ironworking in Roman times. Its superb location midway between London and Brighton was recognised in the 18th century when the town prospered as a coaching halt for the fashionable travelling between the city and the coast.

In 1930 an airfield was opened alongside the site of what was Gatwick Racecourse. Gatwick later went on to become the world's busiest two-terminal, single runway airport and is one of Crawley's great strengths.

Some significant and big companies were attracted to the area during the 1960s and large firms still account for a high proportion of employment today.

The town centre and shopping

Crawley's town centre offers a great combination of shopping, relaxation and entertainment. It is a regional shopping destination attracting people from across the county and beyond. Visitors can enjoy an extensive variety from an indoor shopping experience at the popular County Mall, a bustling Queens Square, to refreshments in the historic High Street, relaxing in the award-winning Memorial Gardens or weekly markets.

It's also an active location for our annual event programme including outdoor film screenings, cultural, family and seasonal events.

Crawley Borough Council and West Sussex County Council are investing £3 million to improve Queens Square. We aim to ensure the vitality and viability of the town centre is enhanced.

The town centre has recently attracted new investors from the leisure and finance sectors that include RBS, Lombard, Morrisons, Travelodge, Ed's Diner, Turtle Bay and Pret A Manger.

It's an important centre for retail, hotels and other related businesses and there has been a significant rise in the number of business support-related companies over the years (e.g. finance, legal and IT), driving up the level of employment in Crawley within this sector.

Crawley is a significant contributor and driving force for the local and wider economy. Its economic productivity, provision of commercial floorspace and premises, as well as providing good quality of life and affordability, makes it a very competitive commercial choice for any business.

Sport and leisure

More than 40 sports and activities are available at K2 Crawley leisure centre; a £37 million state-of-the-art facility that was used by Olympic and Paralympic squads as their training camp ahead of the London 2012 Olympic Games.

Located on the edge of the town centre, Crawley Leisure Park attracts people from across the region to its 15-screen cinema including an IMAX screen, health club, bowling alley and several restaurants as well as offering free parking.

The Checktrade.com Stadium is home to the Gatwick Diamond's only professional football club, Crawley Town FC. There are also 3G floodlit, all-weather pitches available for hire at either Broadfield or Maidenbower.

Crawley is surrounded by a number of good golf clubs. Tilgate Forest Golf Centre, set in the magnificent Tilgate Park, is one of the best public Pay & Play courses in the south.

Tilgate Park is also home to Go Ape, the UK's number one forest adventure.

Arts and culture

The Hawth Theatre has one of the liveliest and most diverse programmes in the south east. With a wide range of performance spaces, it offers a huge variety of entertainment from West End shows to comedy nights and outdoor festivals.

Also in the town centre is the £15 million modern library and cultural centre. A new, multi-million pound museum is being built in the historic High Street, with the help of a grant by the Heritage Lottery Fund.

Work is expected to start in spring 2015.

The new museum will provide lots of exciting opportunities for volunteers and businesses to get involved.

Parks and open spaces

Crawley has a number of fantastic parks and open spaces, many of which have been awarded the prestigious Green Flag status. The Memorial Gardens in the heart of the town centre and Goffs Park to the west provide ideal spots to relax.

Tilgate Park is the largest of the parks and an impressive flagship. It's set in 400, historic acres with lawns, lakes with fishing facilities, ornamental gardens, nature centre, a beautiful Walled Garden with a café and craft units.

Discover the hidden treasures of Crawley by walking the Greenways; a series of walks with varying levels of difficulty will reveal a different side of Crawley via Gatwick Nature Reserve, Grattons Park, Worth Way, Old Crawley and the Worthlodge Walk.

Our Let's FACE it! volunteering campaign works with businesses and the community to improve the local environment. Thanks to the achievements of the programmes throughout the town, Crawley has achieved highly successful results in both the South and South East in Bloom and Britain in Bloom awards throughout the years.

Living in Crawley

A wide range of housing to suit all tastes and needs can be found in Crawley and the surrounding area. From modern new starter homes, to family-friendly houses and larger executive homes, offering a vibrant urban and suburban lifestyle to a more relaxed village feeling.

Crawley's housing market is continually expanding and the town is seeing some exciting new developments. New neighbourhoods Kilnwood Vale, providing 2,500 new homes, is almost complete and work is underway at Forge Wood to construct 1,900 homes.

For more information about Crawley visit www.crawley.gov.uk

Opportunities to get involved

There are plenty of opportunities for business to get involved in Crawley and support the local community. We have a Crawley Developer and Partner Charter, a Meet the Buyers programme, a local Heroes Welcome scheme and, as an accredited employer, Crawley Borough Council actively promotes the Living Wage.

For skills and young people, amongst others, we support Young Enterprise, the community project Young Start Up Talent and the Gatwick Diamond 'Take Off' employability portal. We have a fantastic Crawley STEMfest programme, especially created to enthuse the next generation of scientists, technologists, engineers and mathematicians and to forge links between industry and education.

Sponsorship

Sponsorship is a cost effective way for local businesses to advertise their products and services and increase brand awareness throughout the town. It also helps improve the local environment and gives back to the community as well as playing a big part in our South East and Britain in Bloom entries.

Floral decorations are a very cost-effective form of sponsorship. Troughs are located in high-profile areas around the town centre throughout the summer, ensuring businesses are seen by thousands of residents and visitors on a daily basis.

Our Christmas light displays in the town centre and historic High Street offer great promotional sites throughout the festive season.

For those looking for a more permanent opportunity with high visibility, then roundabout sponsorship is an ideal way of reaching the town's diverse audience with flexible contracts ranging from six months to three years.

Let's FACE it!

Your business could sponsor and take part in a Let's FACE it! environmental, volunteering project to make a visible improvement to an area of Crawley as well as providing a perfect team-building event for your employees.

Advertising

Crawley Live is a free council magazine. It is distributed to every household in Crawley four times a year and contains news, stories, facts and figures, local information, competitions and much more.

There are also a number of high-profile events in Crawley's calendar, many of which offer sponsorship opportunities.

For more information call **01293 438539** or visit **www.crawley.gov.uk/sponsorship**

Manor Royal Business District

Manor Royal – big and well connected

The Manor Royal Business District is one of the largest business areas in the south east and a key economic hub in the region. It provides the employment foundation for Crawley and the wider Gatwick Diamond area.

Covering 539 acres, it offers approximately 8 million square feet of developed commercial floor space and is home to more than 500 businesses providing jobs for 30,000 people.

It lies to the north of the built-up area of Crawley, within five minutes by road from Gatwick Airport, the motorway network (M23) and Crawley town centre. It is well served by rail and within easy reach of the cities of London to the north and Brighton and the coast to the south. Its strategically advantageous position and excellent transport connections have been factors in Manor Royal's continued growth and popularity.

One Manor Royal – strength in numbers

The Manor Royal Business District benefits from being the largest non-retail BID in the UK following the successful BID ballot outcome that was announced in May 2013.

The Manor Royal BID provides the platform for businesses in the area to work together and deliver area-wide improvements and initiatives to benefit their business and staff.

The positive impact of the Manor Royal BID includes; membership of the award-winning easitNETWORK to reduce the cost of commuting, improved security for peace of mind, the creation of new open space with the development of Crawter's Brook People's Park, cost-saving initiatives, focused networking and training events, area-wide improvements to broadband and more.

The BID has also been able to attract an additional £1.1 million in funding to support its activities and further improve the area.

At Manor Royal you will find a supportive environment with a diverse mix of numerous blue chip, global companies such as Virgin Atlantic, CGG, Thales, Varian Medical Systems, Elekta, Vent-Axia, Doosan Power Systems and Grant Thornton.

For more information visit www.manorroyal.org or email info@manorroyal.org

Gatwick Airport

Every year, Gatwick contributes around £2 billion to the South East's economy. We enable businesses to prosper, tourism to flourish, and 21,000 people to say they are proud to work at Gatwick Airport, with over 35% of them living in Crawley.

We invested £1.2 billion between 2008 and 2014 and have committed to invest a further £1 billion going forward. Improvements so far include a new, £31 million South Terminal forecourt, a £45 million state-of-the-art South Terminal security area, a £34 million extension to the South Terminal departure lounge and a £75 million extension to the North Terminal.

We know that the extensive social and economic benefits that Gatwick creates must also be balanced with a sustainable airport operation. From an environmental perspective, we are realising the benefits from our previous £1.2 billion investment programme as we have reduced the amount of electricity consumed despite increasing passenger numbers and aircraft movements. As a result of this capital investment programme and the work we do across the airport with our business partners and third parties, Gatwick Airport has reduced its overall carbon emissions by 28,052 tonnes since 2009 the equivalent of more than 50 fully-laden Airbus A380s and we are aiming to be carbon neutral by 2040.

Also contributing to the environment will soon be a hugely improved rail service for our passengers and the local communities around Gatwick, so that significantly more people will be able to access the airport by train more often, and in much greater comfort. These transformational improvements will see rail capacity double by 2020, and nearly triple by 2035. This will be achieved by new, longer trains and through other infrastructure improvements including a redeveloped station at Gatwick.

On a national scale, Gatwick is on the shortlist of potential locations for the UK's next runway. Our vision of a two runway Gatwick would mean London had two world class airports helping to connect London and the south east to the rest of the world.

Stewart Wingate
Chief Executive Officer (CEO)
Gatwick Airport Limited

YOUR LONDON AIRPORT
Gatwick

Crawley commercial property

Crawley has a significant and diverse range of commercial premises to suit the many types of businesses operating in the town. Crawley Borough Council offers a business-friendly, commercial property search and advice service to help businesses find premises and development opportunities in the town.

What's been going on in the commercial property market?

"The last 12 months has seen a much improved and more active market in the Crawley area, with last year seeing the best take up of offices for over 15 years. Crawley has certainly led the way in terms of activity compared with other regional centres, underpinning its key locational attractions of excellent road transport links, air links through Gatwick Airport, easy rail links to Central London and the South Coast. Couple that with access to an experienced labour market, it is no surprise that Crawley is now the established business capital in Sussex.

Key names that have recently been attracted to the town include Nestlé who moved from Croydon some 18 months ago bringing 800 people with them.

Crawley will shortly be seeing the first major speculative office scheme on Manor Royal providing 110,000 sq ft of much needed top quality Grade A offices scheduled for completion end of 2015. Further evidence of the confidence that developers and investors have in the strength of occupier demand in this exciting area."

Local economic partnerships

Crawley is a progressive town and strategic economic business location within the south east. It is covered and actively involved with a number of spatial, economic partnerships, working positively together to ensure that investment, growth and business continues to thrive.

Crawley's Local Economy Action Group

Tel: 01273 438519
Email: economic.development@ Crawley.gov.uk
Web: www.crawley.gov.uk/leag

A strategic local group of public and private sector partners committed to working together to provide advice and direction to improve the economic performance of the town and all matters relating to the growth, success and development of Crawley's economy.

Manor Royal Business District Ltd

Tel: 01293 683235
Email: info@manorroyal.org
Web: www.manorroyal.org

Established to deliver the Manor Royal BID, a scheme created and controlled by Manor Royal businesses. Through the BID company (MRBD Limited) Manor Royal businesses have created a fund and attract additional investment to improve the Business District in ways they decide, working in partnership with other agencies.

Crawley Town Centre Partnership

Tel: 01273 438237
Email: alfredo.mendes@ Crawley.gov.uk
Web: www.crawley.gov.uk/towncentre or www.visitcrawley.co.uk

The Town Centre Partnership work together to enhance the environment, ambience and services to businesses and visitors. It supports the development of the town centre to be the heart of the town, for people to enjoy social activities, shopping, culture and entertainment in a welcoming and attractive family-friendly environment.

Gatwick Diamond Initiative

Tel: 01293 813950
Email: rosemary.french@gatwickdiamond.co.uk
Web: www.gatwickdiamond.co.uk

A business-led partnership supported by the area's local authorities. It has proven commercial and economic development experience and focuses on key, strategic issues and on working in partnership to ensure that the area is a world-class place to live, work and do business.

Coast to Capital – Local Enterprise Partnership

Tel: 01403 333840
Web: www.coast2capital.org.uk

Established to determine regional economic priorities and to deliver growth for one of Britain's most economically important areas which includes the economy surrounding Gatwick Airport. The focus is on where growth can be stimulated, most value added and create jobs. Working with the private and public sectors, it takes a strategic lead in ensuring that the infrastructure and conditions for economic growth are in place, identifies priorities and strategies for improving local transport, housing and skills development.

To find out more about our local economic partnerships and how to get involved visit www.crawley.gov.uk/business.

HILTON CROFT

DESIGN AND INSTALLATION heating | boilers | heat pumps

Andy Johnson, MD Hilton Croft Ltd.,

"Profit through honesty and integrity."

Hilton Croft are members of:
Citation PLC. Institution of Occupational Safety and Health (IOSH). International Institute of Risk and Safety Management (IIRSM).

At Hilton Croft we rely on our reputation for repeat business and cannot afford to lower our standards. Our customers demand a premium service.

Hilton Croft is based in Crawley. Since we started the company we've built a reputation for an honest approach to our customers requirements. We do this by working with our clients every step of the way to ensure satisfaction.

We believe our growth has come about through the vision and drive of our founders, our management structure and the great team of people who have worked with us over the years.

Our success comes from our clients who work with us time after time and we know that they do this because our services are tailored to long-term partnerships.

Being green is high on our agenda. We take pride in everything we do. We care about the environment and quality of life, so we aim high to create homes where people want to live.

Our commitment is to exceed our customers' expectations – to focus on quality and be held in high regard,

setting us apart from other businesses in our industry.

We have evolved from a small scale plumbing and heating installer to become a multidiscipline leader in the large domestic and commercial sector.

At our Crawley Branch we have a small plumbers' merchants and also run our engineering team which carries out plumbing and heating works and special projects.

We work mainly in the large domestic and commercial sectors. As an example, we have and carried out works in the following fields:

- large house plumbing and heating systems
- complete house refurbishment works
- underfloor heating projects
- ecological energy systems e.g. heat pump and solar panels
- commercial plumbing and heating systems
- commercial and residential maintenance contracts.

Dignity and Independence

Adaptations are changes that enable you to live safely and more independently in your home, whatever your disability. We specialise in Disabled Adaptations and have a professional work force of qualified and experienced trades people, specially trained to complete all aspects of this type of work.

Deciding what equipment to install in your home is an important part of your adaptation being a success, but with so much choice available, it can be confusing. That's why we work with your Local Council Occupational Therapists (OTs) to assess your needs.

If you feel you may be eligible for an adaptation, please contact your Council's Social and Caring Service for further advice. Grants for adaptation work may be available but are dependent on your financial and housing circumstances. If you are interested in an adaptation that you wish to privately fund yourself, please contact us directly.

Proudly working for the residents of Crawley

Join a company with personality

As a Tructyre technician, you will be recognised as a key part of the team

Experience isn't necessary. You will receive industry-leading training and join our Crawley team. Delivering proactive monitoring of our customers' tyres on their premises, or attending to roadside tyre issues, you will be using first class equipment and driving a modern liveried vehicle.

As Europe's largest independent tyre management company, we offer real career opportunities, excellent rates of pay, life insurance and a performance bonus.

Call us on 0330 100 7707 or go to **www.tructyre.co.uk** and click **Contact Tructyre** to apply.

Recycle your publications. It's good news for everyone.

Recycle your publication and in seven days it could be a newspaper.

The possibilities are endless.
www.recyclenow.com

Let's recycle ink cartridges rather than throwing them away.

34 million inkjet cartridges are needlessly sent to landfill each year. That's enough to fill 18 London buses.

help your business, help the environment

Energy saving

Switching off non-essential equipment in an office overnight saves enough energy to run a small car for 100 miles.

Saving energy saves you money, protects your reputation and helps combat climate change.

Your organisation could save up to 10% through housekeeping actions which cost little or nothing.

Crawley *it's* local

It'slocal is a business directory for businesses and people **who live, work in or visit Crawley.**

It's a web-app for your mobile phone, tablet or desktop

Find business services by keyword, or company name

Map, directions and nearby streetview

Direct links to companies' social media networks and websites

It's free for Crawley based companies to advertise and use.

There's no download or install to worry about, just send a text with the word **"4crawley"** to **88802** and we will text you back a link to the it'slocal service.

Or find us at **itslocalcrawley.co.uk**

Also available

MANOR ROYAL *it's* local

For businesses and people who work in or visit Manor Royal Business District.

Text with the word **"4ManorRoyal"** to **88802** and we will text you back a link to the it'slocal service or find us at **itslocalmanorroyal.co.uk**

University of Brighton

Developing partnerships in the Gatwick Diamond

We are working to support research, enterprise and education in the Gatwick Diamond.

In collaboration with business, schools, colleges and community organisations, we are developing new courses and pathways into higher education, alongside accessible routes to innovation and research partnerships for businesses.

If you would like to discuss ways that we could work with you or your organisation, please contact our Business or Community Helpdesk.
